## STEP 01

One piece of the Scarf patterned paper will be the background for this page. Gather the remaining patterns and punch circles using a 2 inch circle punch.

## STEP 02

Punch the following: 2 circles from the second sheet of Scarf, 2 from Rosebud (one of the floral front and one around the pink map design on the back), 1 from Steamer Trunk, and 1 from Fall Fashion. The final circle design is the die cut circle sticker on the Book Plate Sticker Sheet.

## STEP 03

Apply a butterfly rub-on to the circle with the grid design. Spray over the circle with Dewey Mister Huey's and use a paper towel to gently wipe the spray off the butterfly rub-on.

## STEP 04

Adhere the 7 circles onto the background paper as shown. Use a 1.5 inch scalloped circle punch to punch out a silhouette from the Frolic patterned paper. Adhere to the pink map circle with adhesive foam as shown.

## STEP 05

Mist the Veneer Flags/Pennants with Lemonade Mister Huey's. Mist the Veneer Alphas with Overdue Mister Huey's. Adhere to the layout as shown once dry.

## STEP 06

Use the 12x12 Alpha Sticker Sheet to spell out "the" in the title and the 6x6 Label Stickers to add a date underneath the title as shown. Add two more butterfly rub-ons next to the title.
